# Evangelism

**“GO INTO ALL THE WORLD AND PREACH THE GOSPEL TO ALL CREATURES.” [Mark 16:15]**

The Gospel of Jesus Christ is the message of salvation that this world desperately needs to hear. Indeed, when we proclaim the Good News of Jesus, when we demonstrate to the world the true meaning of love, of hope, of mercy, of restoration, and importantly salvation found only in Jesus, we are providing people with an opportunity to see their lives changed forever. There is no other message that carries the same amount of love and hope toward people than the message of the cross. But the Gospel can only be Good News to someone when it is preached. Christ Across Nations is committed to this great commission from God. We will go into all the world and preach the Gospel to all nations. Starting in our beloved South Africa, continuing throughout Africa and across continents, our vision is to share the message of the cross on every platform, big and small.

God has spoken to us and given us a mandate to go to unreached places, areas of immense potential which mostly includes rural communities and densely populated areas. However, if we want to see South Africa, Africa and this entire world changed through the message of the cross, then we need to go where this wonderful Gospel can have its greatest impact. If we really want to see a transformed world then we need to take the greatest message of love and hope to the places where God can transform the multitude. Our vision and our mission is to excavate hell and fill up heaven!

We have identified the following ways to share the Gospel of Jesus Christ through widespread Evangelism:

# Planting churches

**“FOR THE EQUIPPING OF THE SAINTS FOR THE WORK OF THE MINISTRY, FOR THE EDIFYING OF THE BODY OF CHRIST.”**

*[Ephesians 4:12]*

We are dedicated to equipping born again believers and establish them in sound biblical principles. In doing so, we will be able to send more evangelists and ministers of the Gospel into the vast harvest field. And so for this reason, we are committed to implement successful follow up programs following each Gospel outreach and event. We believe however that planting new churches across nations will better assist us in equipping born again believers in order for them to grow spiritually. Yet, through the planting of churches, our aim is to play a key role in assisting every believer to discover his/her purpose and where they fit into the body of Christ.

Each person walking this earth has a God-given purpose and our goal is to facilitate this process, whereby through our programs (exp. "Discovering your Motivational Gift") and teachings we are excited to see each person discover and walk into their calling on earth.

We believe God has a great desire to see Holy Spirit-inspired churches operating across the nations. Our aim is to play a key role in this regard by planting churches across nations with the purpose of equipping the saints and raising up many more evangelists, preachers and ministers of the Gospel. And especially to see to it that each and every Christ Across Nations member know God's purposes for their lives and for them to actively walk out their calling.

# Social responsibility

**“ABOVE ALL, CLOTHE YOURSELVES WITH LOVE, WHICH BINDS US ALL TOGETHER IN PERFECT HARMONY.” [Colossians 3:12]**

At the very heart of Christ Across Nations is to be a tangible example of Jesus' love for people. Through our events and crusades we are committed to giving back to every city, town and community. Following every meeting we are committed to contributing and be involved in social programs in that specific community. Our objective is to establish and be involved in food, water and sanitation programs, skill development within communities, housing and building new schools, upgrading infrastructure, meeting the key needs of people. Christ Across Nations has at its core the preaching the Gospel of Jesus, seeing God do miracles, but there is no better way to confirm the Good News of Jesus Christ than by revealing the love of Jesus for every individual in a tangible way. Indeed, God blesses us so that we can be a blessing. We want to see those who attend our meetings going home having received Jesus as their Lord and Saviour, having seen signs, wonders and miracles performed and having certainty that they will have a meal, fresh drinking water and basic needs met. That is the Gospel in its truest form.
